

FORE!

JANUARY 2012

CLUB: 48212454. PRO-SHOP: 48218133 PROFESSIONAL: Mr GRAEME BUGDEN

Welcome to the first edition for 2012 of the FORE!

This will be very much an abbreviated, or perhaps “holiday” version, and will concentrate mainly on providing event information for you for January, and that info appears over the page.

Information-sharing

Some members have recently suggested that perhaps more information could be provided to them from the club.

Having taken that on board, the club is now attempting to collate all the e-mail addresses that have been provided to us so far, the initiative being that we will attempt to provide that info by way of a group e-mail once or twice a week.

This will be in the form of the current results-sheet, at the bottom of which appears a heading referring to “Special Announcements”, which will contain information around what’s going on at the club, & possible forthcoming functions.

Also, there may well be information regarding new developments, and various other golfing snippets that come to hand (from a variety of sources) from time to time.

It is not proposed that providing this will replace the **FORE!** - just simply enable members to be more familiar with what’s going on, and more quickly.

It will only be an e-mail service, so if you’ve not yet provided GGC with your e-mail address, you will need to do so in order to receive this planned regular information.

So, to arrange that, please just send a very quick e-mail to managerggc@bigpond.com and in the subject-line at the top, type in **“Please add me to the club’s e-mail list”**.

That’s it - simple as that.

Ladies’ Pro-Comps in January

Provision has been made for Ladies’ Pro-Comps during January. This facility will be assessed consistent with patronage during the month. Dates appear overleaf.

Ladies resume Wed, 01FEB12

December Medallists

The newsletter recognises the December Monthly Medallists:

Ladies: Not contested

Men's: Craig Chapman, 67 N

Golfing wisdom from the zany Zeppo Marx:

*“The hardest shot is a mashie at 90 yards from the green, where the ball has to be played against an oak tree, bounced back in to a sand trap, hits a stone, bounces on to the green, and then rolls in to the cup. **That shot is so difficult I have only made it once.**”*

....and for the ladies from the legendary Babe Zaharias....

“When I really want to blast one, I just loosen my girdle and let ‘er fly” (Story of American Golf)

That's about it for this month, just a reminder about Bugs' specials - check them out via the link below – it's working!

I hope you have all enjoyed a great festive season with family and friends. Good luck on the course in 2012. Michael Deegan.
