Editor's Note

A somewhat abbreviated January FORE. Keep an eye on the website as there may well be some things that our regular contributors would like to impart during the course of this month. A happy 2017 to all.

From Captain Rick Wanless

Just a short note for the beginning of the year.

With the turn of the New Year, it's hot and the course is drying out making for greater run and the CCR going up each week. You need to shoot 39-40 points just to play to your handicap, so stay hydrated and slip slop slap and enjoy summer golf.

Thursdays is the usual open day stableford competition.

Saturday January 7 is Monthly Medal

Saturday/Sunday January 14/15 is the 2016 Foursomes Championship so get your partner ready for last year's Foursomes.

Saturday January 21 is a Single par event

Saturday January 28 is a single stableford event.

The 2017 calendar should be out shortly.

New members - I am currently processing about 2 new handicaps a month at the moment so if you see new people around please make yourself known and make them feel welcome.

Remember:

A bad day at the golf course is better than a good day at work.

Rick Wanless
