

Goulburn Golf Club Motorised Cart Rules

- Keep motorised carts at least 15 metres (where practical) from tees, greens and bunkers except when on a formed path. Carts are NOT permitted inside the roped areas or areas marked with **BLUE LINES**.
- DO NOT cross **BLUE LINES**
- DO NOT drive over any mounds on the course or slopes around tees and greens.
- Motorised carts are to be driven on cart paths provided and park Indian file at tees and greens on the paths and follow directional signs where displayed unless a medical exemption is granted.
- Drive carts on the closely mown portions of the fairways or outside the tree lines, stay out of roughs on edges of fairways and green and tee surrounds.
- All cart signage is to be obeyed at all times.
- All cart signs and ropes and stakes are to be treated as immovable obstructions and relief may be taken under rule 24-2. They are NOT to be removed for any reason.
- Park carts to the REAR OF GREENS or to the side leading to the next tee, NEVER in front of greens. This will greatly assist the Pace of Play.
- If course conditions are wet, carts should only travel on the driest and firmest parts of the golf course and should stay away from critical golf areas as much as possible.
- Restrictions may apply in wet and frosty conditions (see notice boards). Also see Goulburn Golf Club Wet Weather Cart Rules.
- **ALL CART DRIVERS ARE REQUIRED TO COMPLY WITH THESE RULES TO PROTECT THE GOLF COURSE FROM DAMAGE.**

By order of the Goulburn Golf Club Board

Goulburn Golf Club Wet Weather Cart Rules

Dear Member/Visitor, due to the impact of the latest rain events and following on from the recent flooding to the course, members/visitors must take note of the following cart rules to keep damage to the course to a minimum. This document is to be read in conjunction with the Goulburn Golf Club Motorised Cart Rules as distributed to members previously.

- On the 2nd, 7th and 18th holes, the bridges MUST be used to cross the drain. Blues lines are marked designating the NO GO zones. Players with push buggies also please use the bridges where practicable. DO NOT CROSS **BLUE LINES**.
- On the 3rd and 13th holes stay on the LEFT side of the roped off wet areas and return to the closely mown portion of the fairway when past the wet areas. DO NOT CROSS **BLUE LINES**.
- On the 9th fairway ALL CARTS MUST stay in the left hand tree line. If your ball lies on the fairway or to the right of the fairway, leave the cart on the left and walk across to play your shot. DO NOT CROSS **BLUE LINES**.
- On the 10th fairway ALL CARTS MUST stay in the right hand tree line and again walk across to where your ball lies. DO NOT CROSS **BLUE LINES**. DO NOT drive the cart through the DRAIN!!
- On the 11th ALL CARTS MUST travel along the line of poplar trees on the right hand side directly to the 12th tee. The area left of the 11th green still has a lot of casual water. DO NOT CROSS **BLUE LINES**.
- Please be aware there may be other wet areas around the course still. Be mindful of where you are driving. Travel up the middle of the fairways and where possible leave the CART and walk across to your ball.
